

WE MADE HISTORY europeana 1989

1989–25 years

Invitation

Press conference of Europeana 1989

'Someday the changes of 1989-90 will be appreciated like the revolutionary wave of the 19th century. And we, who were there, should show as many things from these years to the following generations as we can.'
László Rajk, the Hungarian Ambassador of Europeana 1989 project

25 years ago we could witness historic events that significantly reshaped the image of Europe. Europeana 1989 project wishes to commemorate these events through the creation of a unique digital archive consisting of personal stories, photos, video- and sound recordings, and other documents related to 1989. Europeana 1989 is a project of Europeana, Europe's digital archive, library and museum. Open Society Archives (OSA), the Hungarian partner of Europeana 1989 cordially invites you to its press conference, where the project's programs completed across Europe up until now and the ones upcoming in Hungary will be presented. Besides, you will have a chance to meet the representatives involved in the programs.
