**German Unity@Balaton – Honeyland
/ NémetEgység @ Balatonnál – Mézföld (documentary film)**

Home movies, interviews, photographs, and documents from East German and Hungarian secret police archives reconstruct the atmosphere of summers at Balaton in the late socialist period.

Péter Forgács, Hungary, 2011, Hungarian & German with English subtitles, 78 min

Introduction and follow up Q&A with Film Director Péter Forgács

The retrospective film program includes an international selection of training films, newsreels and operative films produced by Communist Secret Police 1962-1989. The program explores how the secret police imagined and managed their surveillance activities and what they were actually seeing while watching. Also in the program are creative documentary films composed of and built around secret police surveillance films.
